

UV-C germicidal lamps for disinfection of fluids

Feature:

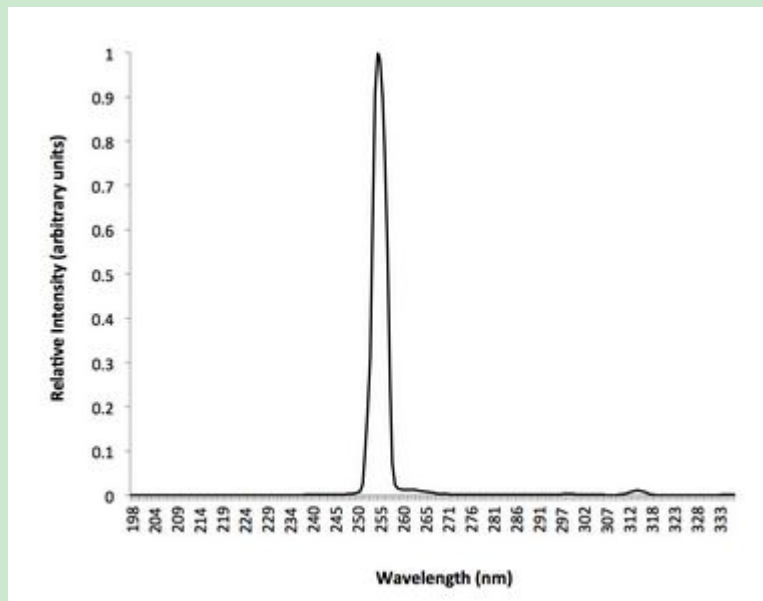

IP 65 rated, suitable for use outdoors or in wet environments

Modular design for multiple UV lamp installations

220 - 240 V / 50 - 60 Hz

100 - 277 V / 50 - 60 Hz options available

UV light spectral output shown

Reflector	Aluminium
Power supply	220 - 240 V / 50 - 60 Hz (100 - 277 V / 50 - 60 Hz options available)
